

# Annual IACLEA Law Enforcement Torch Run

## Sunday, June 17th, 2012, 7:00 am

Join us in Reno for the Annual IACLEA Law Enforcement Torch Run  
to benefit

This year's run will take place in northwest Reno beginning and ending at Rancho San Rafael Park. Runners will be transported to the park by shuttle, departing the conference hotel at approximately 7:00 am. This will be an out-and-back course run through the Rancho San Rafael Park to the painted rocks of the University of Nevada, Reno "N," with an approximate elevation gain of 800 feet. Specific route information will be available in a later email and on the IACLEA Conference web page. The Torch Run committee will have a registration table set up near the main registration area, and will have T-shirts for sale throughout the conference.

Once a working ranch, Rancho San Rafael is now an oasis in the city boasting walking trails, a dog park, an arboretum and botanical gardens, a memorial grove, the Wilbur D. May museum and education center and the Great Basin Adventure Park.

For more information about the park, visit: <http://www.washoecounty.us/parks/rsrp.htm>
