GENERAL INFORMATION

We invite you to become a part of EXPO 2012 on June 15-16, the only exposition whose delegates represent the buying power for campus public safety, security and law enforcement. According to a U.S. Department of Justice Statistics survey, the average annual operating expenditures of a campus law enforcement agency total \$2,000,000 and this does not include capital expenditures such as equipment purchases or construction costs. Our U.S., Canadian and International delegates expect to see the latest technology, equipment, management trends and solutions to the challenges and dangers they face in managing their campus public safety departments.

DOOR PRIZE PASSPORT PROGRAM

This year, IACLEA is again hosting a Door Prize Passport Program to encourage members to visit as many Exhibit booths as possible. To participate in this program, exhibitors pay \$100 for each day. Members who visit a participating company's booth and obtain a stamp or signature can be eligible for a door prize drawing. Members will drop their business cards into a bowl. Drawings will be held at the end of each day to award a prize to a member who obtains a certain number of signatures from participating companies.

(See registration form to sign up. Limited to 20 companies each day. One time per company.)

SPECIAL EVENTS POLICY

Business Partners must be registered and paid for the Exposition before permission is given by IACLEA to host special events. Special events can only be sponsored by one company. The scheduling of all special events requires the advance approval of the IACLEA Finance Committee. Exceptions to this policy must be made by the Finance Committee.

IACLEA 2012 EXHIBITOR CONTRACT

Description of Booths—Booths are 10' x 10'. They consist of 8' high backwall drapery and 3' high division curtains of flameproofed fabric suspended from aluminum framing, 6' draped table and 2 side chairs. One 7" x 44" identification sign is furnished for each exhibitor. Exhibitors receive a listing in the exhibit section of the program book for the IACLEA Annual Conference.

Information Packet—Exhibitors receive a packet of information from Heritage Exposition Services about the exhibition schedule, facility, set-up and break-down procedures, drayage, furniture and special item rental, labor order forms and electrical service.

Installation—Our official exhibit contractor will install booths on Thursday, June 14. Booths will be available to exhibitors for set-up on Friday, June 15 from 8:00 a.m. - 4:00 p.m. Displays must be ready for showing by 4:00 p.m., Friday, June 15. All materials must be removed from the area beginning 2:00 p.m. on Saturday, June 16. Unclaimed space will be reassigned without refund. IACLEA reserves the right to reject any materials or services offered by the exhibitor if there is any conflict with the Association's policies and principles.

Decorator & Carpenter Jurisdiction—It is necessary for all exhibitors to use qualified union personnel for the installation and dismantling of prefabricated exhibits and displays and to install and remove draperies and floor covering. The handling, placing or setting out of merchandise that is to be displayed does not require union labor and may be done by the exhibitor. In addition, the installation or dismantling of exhibits in booths up to 300 net square feet, which does not require the use of power tools, may be performed by the exhibitor or full-time company employees. Non-union contracted employees and/or temporary laborers are excluded from working on exhibits. Your labor requirements can be ordered on the enclosed Exhibit Labor Order Form.

Suitcasing—Please note that while all meeting attendees are invited to the exhibition, any attendee or exhibitor who is observed to be soliciting business in the aisles or other public spaces, in another company's booth, or in violation of any portion of the IACLEA Exhibition Policy will be asked to leave immediately. Additional penalties may be applied. Suitcasing is also prohibited in all IACLEA official conference hotels - For the purposes of this policy, suitcasing violations may occur at venues other than the exhibition floor and at other events. Product demonstrations are prohibited in IACLEA official conference venues. No networking events can take place during official show hours.

Teamster Jurisdiction—Our Material Handling Department is responsible for maintaining in and out traffic schedules at the show site. Even local exhibitors should clear all movements of exhibit materials through this department, as we will have priority at the unloading area at all times. Material Handling Services may be ordered in advance by completing and returning the enclosed Shipping Information and Service Order Form or by ordering on site at the Heritage Service Desk. All mobile equipment brought into/out of the hall must be accompanied by Heritage personnel. A mobile spotting form will be included in the exhibitor service manual and should be submitted to Heritage Exposition Services prior to the first day of move in.

Exhibitor self-unloading is limited to the following guidelines:

- Ground level unloading
- Car or passenger vans
- No rental trucks or contract carriers
- No pallet jacks or motorized equipment
- Two (2) wheel handcarts are allowed
- Twenty-minute time frame allowed for unloading
- Contract/hired labor is not allowed

Labor and Material Handling—As the official service contractor, and in the interest of safety, continuity and control, Heritage Exposition Services is appointed as the exclusive on-site service contractor in the exhibit hall for drayage, labor, custom cleaning, and other services that the facility or applicable labor agreements require Heritage Exposition Services to perform. Information concerning electrical, plumbing and vacuuming services will be included in your service kit. Heritage Exposition Services reserves the right

to appoint official common freight carriers and other subcontractors necessary for production of the Event. Exhibitors must use Heritage Exposition Services for the services listed above, unless the exhibit hall performs any of these services on an exclusive basis. For all other services, exhibitors who choose not to use Heritage Exposition Services and plan to use another contractor must advise the Sponsor and submit the necessary Certificates of Insurance, in advance, so that permission may be obtained for said Exhibitor Appointed Contractors ("EAC") to operate.

All mechanical equipment used for the Event, such as forklifts, cranes, pallet jacks, genielifts and scaffolding, must be exclusively provided by Heritage Exposition Services.

Size and Weight Limitations—The size and weight load on the display floor should not exceed 150 pounds per square foot. All exhibits, other than table top, must be approved by IACLEA thirty (30) days prior to the exposition. Exhibits must conform to the size of the allocated space and must not obstruct the view of or interfere with other exhibits. All demonstrations, discussions, or activities such as distribution of descriptive literature of any kind must be confined to the exhibitor's own booth. No exhibitor shall assign, sublet or share the whole or any part of the assigned space without the approval of IACLEA.

Shipping Information—Heritage Exposition Services is the official drayage contractor and transportation company for IACLEA EXPO 2012. Storage and carting arrangements are to be made at the exhibitor's expense. Please give exhibit name, IACLEA 2012 and your booth number. DO NOT SHIP DIRECTLY to the Peppermill Resort. Full instructions on shipping will be forwarded to you by Heritage Exposition Services.

Liability for Losses—Neither the International Association of Campus Law Enforcement Administrators, the Peppermill Resort, nor Heritage Exposition Services will be responsible for loss or damage resulting from any cause connected with transfer, installation, maintenance, storage or removal of exhibits or management of the exposition. The exhibitor assumes complete responsibility and liability for all injury to any and all persons or property in any way connected with exhibitor's display or caused by the exhibitor, his agents, representatives or employees.

Protection of Property—Nothing shall be pasted on, tacked, nailed, screwed or otherwise attached to columns, walls, floors, drapery or other parts of the building or furniture. Exhibitors violating this regulation are expressly bound, at their expense, to repair any such damage they may cause.

IACLEA may lease any space so forfeited to another exhibitor.

Cancellation—If the contract is cancelled by the exhibitor before April 1, 2012, \$300 of the total fee will not be refundable. For cancellations on or after April 1, 2012, no refund will be made.
