

Successful Campus Crime Prevention Programs and Strategies for Two-Year Institutions

Webinar Audio Recording and Presentation Materials

Webinar Fee (per site) - Member/Non-member - \$99.00

Webinar Overview*

The prevention of crime is a basic responsibility and expectation of all public safety officials. This webinar will address the many challenges our two-year institutions have about campus safety, security, civility and crime prevention. There are several security and safety challenges which are unique to two-year institutions based on our diverse non-traditional student body that are often immersed and interconnected to the social challenges also within our communities. This webinar will highlight the importance of partnerships and ownership of the campus crime prevention program and strategies. It will also share best practices and current crime trends on our two-year campuses.

* This Webinar is appropriate for four year institutions.
