

5th Edition Change Notices

The following standards, published in CALEA's 5th Edition *Standards for Law Enforcement Agencies* and adopted by the IACLEA Accreditation Commission, have been revised. This list does not include (1) standards not adopted as part of the IACLEA process, (2) revisions to language contained in Chapter Introductions, (3) corrections to typographical errors, or (4) changes to ancillary sections including the Table of Contents and Appendices.

Agencies are encouraged to purchase up-dated Standards Manuals, with the Change Notices, directly from CALEA.

Notice	Standard	Change
5.1 1/2007	71.3.3 - Security concerns	Bullet "a" changed from "weapons control" to "firearms will be secured before entering the temporary detention room or areas". Language added to Commentary, "The agency should consider any other items such as knives, batons, chemical sprays, etc. it may want to exclude...."
5.2 3/2008	16.3.3 – Recruit training for reserve officers	CALEA interpretation added to stipulate that training in "critical tasks", performed by the reserve officer, must be delivered, if not offered through state certification training.
	35.1.2 – Annual performance evaluations	The designation of "full-time" has been added to define the employees for whom an annual performance evaluation is required.
	46.3.4 – CBRNE level awareness guidelines	Standard revised to state "The agency provides awareness level training for events involving hazardous materials" and eliminate reference to "CBRN".
	52.1.5 – Annual statistical summaries	Compliance level changed from "O" to "M" for all agencies.
	71.3.3 – Security concerns	Eliminated the phrase "or area(s)".
	71.4.1 – Conditions of temporary detention area	Changed "...the processing or temporary detention area(s) or room(s)..." to "...temporary detention room(s)..."
	71.4.2 – Fire prevention evacuation	Eliminated the term "area(s)"
	71.4.3 – Inspection of temporary detention area	Eliminated the term "area(s)"
	71.5.1 – Processing and testing	New – Requires a written directive for security concerns in "processing or testing room(s) or area(s)", to include constant supervision, weapons control, panic alarms, and escape prevention.
	81.2.15 – First aid instruction training	Renumbered to 81.2.14.

	84.1.6 – Audit and inspections	Commentary revised to indicate that the “unannounced inspection” need not be a time consuming task. Rather, it can be a brief inspection by the agency CEO or designee for cleanliness, orderliness, and tracing a few sample pieces of property.
5.3 7/2008	33.5.4 – Accreditation Manager training	Commentary revised to remove “panel interview process” from accreditation manager training/familiarization.
