

# **Change Notice No. 1.4 Standards for Campus Public Safety Departments Issued November 2006**

## ***Background***

This is the fourth change notice to the Standards Manual of the IACLEA Accreditation Program, which was published in May 2004. Change notices shall be numbered by edition number, followed by a decimal point and the sequential number of the change to that edition. Change notices are an essential component of the standards for campus law enforcement; they help ensure these standards continue to reflect the best and most up-to-date information the profession can offer.
