IACLEA offers a variety of opportunities at the Annual Conference and Exposition. The cornerstone event allows members to share knowledge, spread best practices, discover new tactics, and better the profession. The conference offers quality training from experts, networking with peers, and the chance for vendors to share the latest developments in services, equipment, and products for the law enforcement and campus public safety community.

All IACLEA sponsorship opportunities can be combined or customized in ways that are mutually beneficial for both parties.

Additional opportunities are available for the IACLEA Annual Conference & Exposition and our Corporate Partner Program.
